WEDDING DANCE LESSONS HAVE RECOMMENCED

Nathalie is back after giving birth to her baby boy on October 1st, 2009. His name is Jake Murdoch and weighed 9 pound 4, the exact same weight as her first born, Oliver.

Wedding dance lessons are best started 2 months prior to the wedding.They are private lessons and Nathalie will choreograph your routine from the groom taking his bride onto the dance floor and then performing the dance. Usually the wedding dance is around a couple of minutes but some couples prefer to do the whole song. Nathalie will help you appear elegant and comfortable while dancing in front of your guests. Lessons are held at the Yorkeys Knob Community Hall in Wattle Street. Places are limited **BOOK NOW Tel: 0408 870475**

MEET MORE OF OUR HALL USERS

AMERICAN CAR CLUB

The All American Car Club which uses the hall on the last Sunday morning of the month has been in existence for over 11 years and have been using the hall for a few years since the car park at the boat club began to get too crowded.

We welcome all car enthusiasts but our main aim is to see as many American cars join the club,(as well as those with the same design & shape as made in the USA/Canada) most of these are classics over 30 years old and include Mustang, Corvette, Chevrolet,Pontiac ,Buick ,Cadillac , Oldsmobile ,Galaxie .Dodge, Chrysler ,Camaro ,Thunderbird.

Several of our members have imported cars from the USA and some have purchased cars from importers that make a business out of importing popular makes.

Qld has now come into line with other states and Left Hand drive cars over 30 years old, are able to be fully registerable with a few small modification to comply with Dept of Trans. guidelines.

Our club is mostly a social group and membership hovers around 100. We travel all over the far north attending car shows & social events, some of us have travelled in groups to the USA to attend large events of which the size has never been seen in Australia.
